## Upgrading the Pacific Highway

### Karuah to Bulahdelah sections 2 & 3

*This project is jointly funded by the Australian and New South Wales governments*

The NSW Roads and Traffic Authority has engaged Abigroup Contractors Pty Ltd to design, construct and maintain the 23km Pacific Highway upgrade from Karuah to Bulahdelah sections two and three for 10 years.

#### **Construction update – May to July 2008**

- Continuing bulk earthworks over the whole length of the project, particularly in the northern section.
- Continued blasting activity is scheduled in the Nerong cuttings and Burdekin's Gap.
- Continuing installation of stormwater and subsoil drainage across the entire project.
- Completion of the first 9 of the 14 bridges along the project.
- Continuing concrete paving south of Nerong.
- Commencement of concrete paving north of Nerong.

#### **Traffic conditions**

Traffic delays will be experienced at times along the highway due to blasting and construction activities. Where necessary, changes to traffic conditions and speed limits will be implemented for traffic safety along sections of the project as the works progress.

#### **Safety**

Please observe all project signage and traffic control directions during construction.

#### **Construction hours**

Monday to Friday 6:30am to 7pm and Saturday 8am to 1pm. Nearby residents will be advised of any construction works to occur outside normal working hours
