

**Upgrading the Pacific Highway
Karuah to Bulahdelah sections 2 & 3**
*This project is jointly funded by the Australian and
New South Wales governments*

The NSW Roads and Traffic Authority has engaged Abigroup Contractors Pty Ltd to design, construct and maintain the 23km Pacific Highway upgrade from Karuah to Bulahdelah sections two and three for ten years.

Construction update – August 2008 to October 2008.

- Complete the first stage of bulk earthworks across the entire length of the project.
- Commence concrete paving, including sub-base and base concrete and kerbs for the southbound carriageway north of Nerong.
- Commence landscaping and finishing of the first stage of road works south of Nerong on the southbound carriageway).
- Construction of the permanent southbound rest area amenities.

Traffic conditions

Traffic delays will be experienced at times along the highway due to blasting and construction activities. Where necessary, changes to traffic conditions and speed limits will be implemented for traffic safety along sections of the project as the works progress.

Safety

Please observe all project signage and traffic control directions during construction.

Construction hours

Monday to Friday 6:30am to 7pm and Saturday 8am to 1pm. Nearby residents will be advised of any construction works to occur outside normal working hours.
