

Australian Government

Upgrading the Pacific Highway
**Karuah to Bulahdelah upgrade –
sections 2 & 3**

*This project is jointly funded by the Australian and New
South Wales governments*

**Nominations invited for Karuah to Bulahdelah
upgrade - sections 2& 3 community interest
group**

The Roads and Traffic Authority has contracted Abigroup Pty Ltd to design, construct and maintain for ten years the 23km Pacific Highway Karuah to Bulahdelah sections 2 & 3 upgrade project.

A community liaison group is being established to facilitate community input to the project. This is required by the project's planning approval conditions and is one of several ways the RTA will be involving the community in this project.

Nominations for membership are being sought from local residents, community organisations and business representatives. This group will discuss matters associated with the three-year detailed design and construction of the project.

An information kit and nomination form describes the purpose and process of interest group. To obtain this information kit please phone toll free **1800 726 567** or email karuah@abigroup.com.au.

Nominations should be sent by **Wednesday 22
November 2006**.
